THE CONTRACT

These conditions apply to all tours provided by GeoWorld Travel Ltd (registered no 08308491), unless otherwise stated.

BOOKING AND PAYMENT

The tour price quoted on the website is subject to change without prior notice. GeoWorld Travel will confirm all prices before you book your holiday. Your trip information document will indicate what is and what is not included in the tour price. Flights are NOT included in the cost of the trips unless otherwise stated.

Deposit: A deposit amounting to 20% (unless otherwise stated) of the total cost of the trip, together with a signed Booking Form, is needed to reserve a place on the trip. As a general rule, deposits are non-refundable.

Final Payment: The balance is due a minimum of 90 days prior to your departure. For bookings made less than 90 days prior to your departure, payment is required in full at the time of booking.

MINIMUM NUMBERS

On all trips, except Polar Expedition Cruises, there is a minimum number required for the trip to go ahead. If, 90 days before the trip departure date, the minimum number of bookings has not been reached, GeoWorld Travel can cancel the trip. In this event, any deposits will be returned to participants in full. It is therefore recommended not to book your flight until the trip has been 100% confirmed at the 90-day cut off point. If you book your flight before this date and the trip is subsequently cancelled, GeoWorld Travel will not be liable for your flight expenses.

SINGLE ACCOMMODATION

If you are travelling on your own and wish to guarantee a room of your own, a single supplement is payable (please contact us to confirm the rate if this is not displayed on the website). If you are willing to share a room, we will endeavour to place you in a shared room with another guest of the same sex. However, in the event that there is no other suitable guest to accommodate you with, then the single supplement will be payable.

CANCELLATION

All cancellations should be made in writing and sent to GeoWorld Travel at GeoWorld Travel Ltd, 4 Orchard Close, Gilwern, Abergavenny, NP7 0EN United Kingdom. Only upon receipt of the cancellation will the cancellation procedure be put into place. On cancellations made more than 90 days before departure, all deposits are non-refundable, unless the trip is later cancelled by GeoWorld Travel due to the required minimum number of bookings not being reached. Cancellations less than 90 days before departure will incur a charge of 100% of the cost of the trip. These cancellation conditions should be covered by your travel insurance.

GeoWorld Travel's Director James Cresswell has previously been contracted by the Ship Operator to be a guide on all these trips, and is well qualified to sell them to you. When you inform us you want to make a Polar Cruise booking we will arrange for the Ship Operating Company to contact you, and your booking will be made directly with them.

CAR TRANSPORTATION

GeoWorld Travel does not make profit on the transportation or entrance fee elements of a tour. Profit is made by including a variable, per person guiding fee and an office administration/ accommodation booking fee within the total tour cost. On trips where transportation is provided either by private car or by rental car, this transportation is provided at a cost price and is included within your tour price. The transportation is to take you from one guided location to another. Paying to join the tour does not give you the right to be carried in that vehicle, it is provided as a courtesy. You are not obliged to use this transportation to be part of the tour and can also join the tour by following in your own car if you prefer.

UNITED STATES OF AMERICA: NATIONAL PARKS AND NATIONAL MONUMENTS

GeoWorld Travel does not operate 'Commercial Tours' in US National Parks and National Monuments. If you join our USA trip, your trip will be made up of two separate parts: (i) A 'Commercial Tour' where guiding fees and office administration/ accommodation booking fees are charged, in addition to your transportation which is provided at cost price. This part of the tour occurs outside US National Parks and National Monuments. (ii) A 'non-commercial' visit to various US National Parks and National Monuments where GeoWorld Travel applies no fees, and participants pay their own entrance fees directly to the US National Park officials. On these visits guiding and transportation is provided without charge. GeoWorld Travel will provide a price breakdown of the trip prior to your payment of the full balance.

REPEAT CUSTOMER DISCOUNT

GeoWorld Travel offers all repeat customers, who have previously joined one of our multi-day tours, a 5% discount on future tours. This discount also applies to first time customers who book on more than one multi-day tour as their first booking. The discount is applied to what would be their second and subsequent tours. The 5% discount does not apply to the deposit amount but is applied when full payment is made. For Polar Expedition Cruises the discount will not be applied until after the cruise is completed. On these cruises the Ship Operating Company must be paid in full prior to the cruise, and GeoWorld Travel will refund you 5% of the cruise cost only after the cruise is completed and GeoWorld Travel has received its commission payment from the Ship Operating Company.

Please complete and return the Booking Form, but retain the Booking Terms and Conditions for your records.
